Chances were remote North High would win two games in the 32-team Covina Invitational Basketball Tournament last week, but the Saxons breezed through five opponents for the first tournament title in the school's history.

North put frosting on the cake Thursday night by beating host Covina, 62-49, in the finals of one of the Southland's prize basketball events.

Big 6-foot, 11-inch center Ron Taylor was named the most outstanding player of the tournament. Considering he was not listed on either the Pacific Shores or Beverly Hills tournament teams in earlier go-arounds, Taylor's accomplishment at Covina is particularly noteworthy. His points came to 115.

Ron's scoring at Covina showed a string of 27, 33, 12, 27 and 16 against Covina, Millikan, Pomona Catholic, San Diego Crawford and Sunny Hills. He amassed 12 field goals in three games, something he has done in five of the 13 games in which he has played this season.

A 59-54 upset of Crawford High on Monday opened the gate for a North sweep of the tournament. Crawford was the favorite following its triumph in the San Diego Kiwanis Tournament two weeks previously.

Among other formidable challengers in the Covina Invitational were Pomona Catholic and Pius X, the latter which beat North in a practice tussle, 62-58. Pius was eliminated without North getting revenge.

Covina High came through the bottom of the bracket with four victories over Charter Oaks, Fullerton, La Salle and Arroyo.

The Colts got a break on closing night when North showed up without steady scorer Don Albin. Coach Skip Enger left him home at sick bay.

But the alert Saxon coach, who shuffled his starting line-up throughout the tournament, came up with the right combination of Charlie Richardson, Greg Shearer, Taylor, Jim Neilson, 6-5 freshman, and Jess Jacobs, a member of the tournament team.

Shearer, who had scored two points in four previous games, pitched in 16 against Covina. Taylor got 27 points with his 12 field goals. The whole team, playing run and shoot in the third quarter, outscored the Colts, 21-4.

Against Millikan in the semi-finals Taylor tallied 33 points with an additional 12 field goals and 9 for 11 at the free throw line.

Jacobs, whose highest scoring was 16 against Pomona Catholic, was credited with "bringing the ball down court under tough pressure" throughout the tournament.

## Compton Classic Next for South High

Coach Jim Hanny's South High Spartans return to school from the Christmas holidays this week with a busy week of basketball in prospect.

Not only is South scheduled to play Santa Monica in their Bay League opener, but the Spartans are grouped in the 20th Compton Invitational Tournament.

These are likely developments for the Spartans. They meet Whittier tomorrow afternoon in the Compton gym at 3:30. Should they lose, they meet the loser of the Long Beach Poly-Arroyo game in a consolation game Wednesday.

A South win over Whittier will put the Spartans in a championship bracket game against Poly-Arroyo at 3:30 on Thursday. A second straight victory will put them in the semi-finals Friday night at 6:30, necessitating postponement of the Bay League South-Santa Monica game until Saturday or later in February.

Pairings for other Monday games at Compton are: California vs. Pius X at 5; Poly vs. Arroyo at 6:30; and Centennial vs. Bellflower at 8 p.m.

Tuesday's games: Long Beach Jordan vs. Loyola at 3:30; El Monte vs. Long Beach Wilson at 5; Norwalk vs. Mt. Carmel at 6:30; Compton vs. Millikan, 8 p.m.

## Michigan Crushes Beavers

Mel Anthony ran for three touchdowns, tying a Rose Bowl record set by Notre Dame's Elmer Layden in 1925, as Michigan rolled over Oregon State, 34-7, in the Rose Bowl game Friday.

The Wolverines scored their fourth victory without a loss in a traditional January football classic at Pasadena.

Oregon State scored first to lead briefly, 7-0, but Anthony ran 84 yards on a sweep of right end and a few minutes later Carl Ward went 43 yards on an exact play.

Anthony bolted for two touchdowns in the third period and Quarterback Bob Timberlake raced 24 yards for the final fourth quarter score.

In the Orange Bowl Texas upset top-ranking Alabama, 21-17.

## Bill Brown Paces Knights To Tournament Crown

Bishop Montgomery won the 2nd annual Chadwick-Flintridge Basketball Tournament Wednesday and Guard Bill Brown of the Knights was named "player of the tournament."

Brown scored 70 points, including 29 on closing night against Lutheran, as Montgomery won by a 63-56 margin in the finals.

Until four minutes into the third quarter, Montgomery maintained a 2-for-1 scoring ratio, leading 44-22 at this point.

Mike Grey, a 6-5 forward for Montgomery, closing the gap to three points (51-49) with three minutes remaining in the game.

During the rally Montgomery went into a "caution defense" with Center John Pleick (6-8), Pete Revers (6-0), and Brown also nursing four fouls in the final 10 minutes.

It wasn't until Brown sped under the basket with a lay-up of a stolen ball and followed with four insurance free throws did Montgomery recover to win.

Brown completed 13 of 14 free throws in the game and 22 for 25 for the tournament. The 6-1 senior had 16 points at halftime and 23 points at the mid-third quarter mark.

Montgomery defeated L.A. Pacific, 71-27, and Bellarmine-Jefferson, 81-64, earlier in the tournament.

St. Genevieve took third place against Bell-Jeff, 58-57. Rolling Hills was fifth with a 58-47 win over Flintridge, and Pacific downed Chadwick, 52-44.

## 'NON-ATHLETE' CLAIMS HONORS IN FITNESS

His name is not on the roster of an El Camino College athletic team, yet Roger Feeny is the school's physical fitness champion.

Feeny captured the title by amassing 773 points of a possible 800 in an eight-event physical test, outscoring the second man by ten points.

Push-ups, sit-ups, standing long jump, dips on the parallel bars, jump reach, rope climb, pull-ups and a 330 yard run were the eight events which Feeny completed in one hour.

The 20-year-old El Segundo resident was among the top six competitors in all but one of the events. He captured two first places—pull-ups and the jump reach.

A history major with "indefinite" plans for the future, Feeny set a new college record in capturing the jump reach, soaring 29 and three-quarters inches off the ground.

Feeny says he was conditioned for the test with a service hitch in the Air Force.

## Seahawk Cage Scoring Looks Unimpressive

Unbeaten Redondo, winner of nine pre-league basketball games, has accumulated a misleading set of statistics to date.

For a team that has won nine games, including eight in winning the Pacific Shores and Beverly Hills tournaments, the Seahawks have averaged 64.2 points a game. Their opposition, on the other hand, has been limited to a 45-point average in an era of high scoring basketball.

The top six scorers for Redondo have accounted for 516 of the team's 578 points, although Coach Rex Hughes substituted freely in seven of nine games.

The front-runner in scoring is Paul Hoffman whose combined 51 points in two games against Beverly Hills and 23 against tough Glendale give him a 157 point total and a 17.4 average.

The only other squad member to hit 20 points in a game is Jeff Sims who did it against Mira Costa in the Beverly Hills finals.

Bob Clemo, two-time "tournament player," has a 13-point average and a better than 17-rebound average.
